FOR AFFORDABLE HOUSING

Thank you for your interest in CPAH Communities!

Our contracted property management company is responsible for leasing.

To get on a waitlist for one of our apartment communities, please contact the property manager at the specific building you are interested in. Please note that you need to get on each property waitlist separately.

You can also contact Income Property Management at 503-223-6327 for more information.

For Washington County residents experiencing homelessness or imminent risk of becoming homeless, you are strongly encouraged to contact Community Connect at 503-640-3263.

For additional information on housing or services, please call 211.
